

Black&White|4

A ground-breaking masterpiece
for customers with high standards

The equipment of a Black&White4 is free-configurable and can therefore be optimally adapted to the type and location of use. If in restaurants, fast food chains, petrol stations or bakeries, in the convenience sector, in catering or in larger companies: Because of the flexible machine concept, you will find a solution perfectly adapted to your needs.

► IMPRESSIVE ADVANTAGES IN THE MULTIPACK

- Powerful allrounder
- Superior Coffee System for exquisite results
- Unique milk frothing technology
- Perfectly designed modular system
- Telemetry system ThermoplanConnect with dual communication
- Resource-efficient cleaning system
- User-friendly and intuitive operation
- Suitable footprint for each operational area
- Refrigerator RL (9 litre cooled milk) or external option
- Bean hopper ~1.7 kg volume
- Powder hopper for up to 2 kg volume
- Flavour unit for up to 4 syrup flavours
- Unique design
- Global service network for efficient support
